

Financial Tear Sheet

Corporate Profile

Albany International is a global advanced textiles and materials processing company.

Founded in 1895, the Company is headquartered in Rochester, New Hampshire, operates 18 plants in 11 countries, employees 4,300 people worldwide, and is listed on the New York Stock Exchange (Symbol AIN).

Albany International has two core businesses. [Machine Clothing](#) is the world's leading producer of custom-designed fabrics and belts essential to production in the paper, nonwovens, and other process industries. [Albany Engineered Composites](#) is a rapidly growing supplier of highly engineered composite parts for the aerospace industry.

Our Investment Proposition

A small cap with the cash generation potential of a value stock combined with the revenue potential of a growth stock.

Our Strategy

Focus and lead. Focus on markets in which our core capabilities in advanced textiles and materials provide the basis for sustainable advantage, and in those markets, strive for total leadership – best products and services, first to market, with the highest quality and reliability and at the lowest costs of operation possible.

Our Near-Term Objective

Execute. Maintain market leadership and financial performance in PMC. Prepare for the ramp in AEC.

Our Long-Term Objective

Cash flow and grow. Year over year, steadily improving earnings coupled with a strong balance sheet and excess cash flow.
